PURPOSE: To continue discussions on the status of the permitting process of the proposed Chuitna Coal Mine which plans to remove 13.8 miles of healthy salmon tributary for what could become the largest coal mine in Alaska history. The intent of our request is to keep interested parties informed about recent developments, maintain an open dialogue, and to encourage each federal agency to continue to delegate appropriate personnel and resources to effectively evaluate and assess the proposed mine.

We sincerely thank you for your consideration of our meeting request:
